

## CLAIMS

What is claimed is:

- 1 1. A golf ball product, comprising:
  - 2 a core; and
  - 3 a cover surrounding said core, said cover including an inner layer of a first material
  - 4 and an outer layer of a second material;
  - 5 wherein said first material is substantially translucent and said second material is
  - 6 substantially opaque.
- 1 2. The golf ball product of claim 1, wherein said inner layer has a first thickness and said
- 2 outer layer has a second thickness, said first thickness being greater than said second
- 3 thickness.
- 1 3. The golf ball of claim 2, wherein said second thickness is from approximately 0.005
- 2 inch to approximately 0.065 inch.
- 1 4. The golf ball product of claim 1, wherein said inner layer has a first thickness and said
- 2 outer layer has a second thickness, said first thickness being less than said second thickness.
- 1 5. The golf ball product of claim 4, wherein said first thickness is from approximately
- 2 0.010 inch to approximately 0.050 inch.
- 1 6. The golf ball product of claim 1, wherein said second material is harder than said first
- 2 material.
- 1 7. The golf ball product of claim 6, wherein:
  - 2 said first material has a Shore D hardness of less than approximately 63; and
  - 3 said second material has a Shore D hardness of more than approximately 65.
- 1 8. The golf ball product of claim 1, wherein a difference between a hardness of said inner
- 2 layer and a hardness of said outer layer is greater than approximately 5 Shore D.

1 9. The golf ball product of claim 8, wherein said difference is less than approximately 25  
2 Shore D.

1 10. The golf ball product of claim 8, wherein said difference is less than approximately 15  
2 Shore D.

1 11. The golf ball product of claim 8, wherein said difference is less than approximately 10  
2 Shore D.

1 12. The golf ball product of claim 1, further comprising an intermediate layer between  
2 said core and said cover.

1 13. The golf ball product of claim 1, wherein said cover further includes a third layer.

1 14. The golf ball product of claim 1, further comprising a layer over said cover.

1 15. A golf ball product, comprising:  
2 a core; and  
3 a cover surrounding said core, said cover including a first material and a second  
4 material;

5 wherein said first material is of a first color and said second material is of a second  
6 color, said first color being different than said second color.

1 16. The golf ball product of claim 15, wherein:  
2 said first and second materials are substantially the same;  
3 said first material includes a first pigment additive;  
4 said second material includes a second pigment additive.

1 17. The golf ball product of claim 16, wherein:  
2 one of said first and second additives is substantially white; and  
3 the other of said first and second additives is substantially colored other than white.

1 18. The golf ball product of claim 17, wherein said colored additive is substantially  
2 fluorescent yellow.

1    19.    The golf ball product of claim 17, wherein said colored additive is substantially  
2    concentrated around poles of the golf ball product.

1    20.    The golf ball product of claim 17, wherein said colored additive is substantially  
2    concentrated around an equator of the golf ball product.
